HyPAS™

This compact, A4/A3 format colour multifunctional, specifically designed to meet the requirements of small offices and workgroups, will satisfy even the most demanding environment. Engineered with KYOCERA's renowned longlife components, this ECOSYS device ensures unprecedented reliability and exceptionally low printing costs with significantly less environmental impact.

ECOSYS stands for ECOlogy, ECONomy and SYStem printing. With their long-life components, ECOSYS devices are designed to maximise durability and minimise the total cost of ownership with regard to maintenance, administration and consumables. The cartridge-free system means that only the toner has to be replaced regularly. The modular design concept allows you to add workflowenhancing functions as required. Integrated system software provides long-term crossnetwork compatibility. KYOCERA's long-life components cost you and the environment less.
